PROD 14-2-2

CENTRAL INTELLIGENCE AGENCY
Geography Division, ORR

Project Initiation Memorandum

Project No. 60.1885

Date: 13 October 1960

1. Subject of Proposed Project: Geographic Intelligence Support for the Task Force on Sino-Soviet Relations.

2. Statement of Problem: To supply geographic intelligence support in the form of maps, documentary materials, and/or geographic analyses of present or potential situations susceptible to exploitation of Sino-Soviet tensions. This will involve, for example, present or possible boundary disputes and troublesome minority problems.

3. Requester: Task Force on Sino-Soviet Relations.

4. Responsible Analysts: Primarily the staffs of GG/A and GG/3, with staffs of other branches contributing as possible.

5. Estimated Man Hours in D/GG: The project will continue for the duration of the Task Force.

6. Probable Completion Date: See 5. above.

7. Probable Form of Final Publication: Not determined. See 2. above.

8. Recommendations Regarding Distribution of Finished Report: To Task Force only.
